PROGRAM

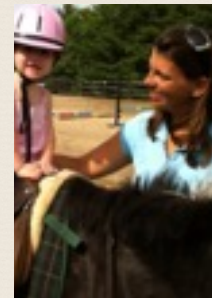

Lessons, training, and boarding are available at GlenAyre year-round in addition to various camps and clinics. Students at GlenAyre have the opportunity to continue their journeys as well-rounded horsemen at a casual level or to advance through the upper-levels of eventing as young men and women caring for and competing their horses on the international level.

2017 SUMMER CAMPS

The entire process is important –cleaning stalls, riding in the field, building relationships.

At GlenAyre our goal is to teach our students not only how to ride, but how to become excellent horsemen. We achieve this by providing top-notch instruction using our innovative teaching styles developed over the course of our 50-plus years of combined teaching experience.

GlenAyre Equestrian Centre is conveniently located near the Brownsboro exit of I-71. Camp runs 9-5, Monday through Thursday and group sizes are limited to insure quality instruction and hands-on experience. We provide instruction for children ages 6-13 with no experience, a little experience, or for those who have grown up riding and competing.

An indoor arena and air-conditioned class room mean that camp always goes on, and that riding time is almost never compromised!!

CREATE A LIFETIME OF MEMORIES

Camps Run: Monday- Thursday, 9AM-5PM

Cost: 375/week

Ages: 6-14, no experience necessary

RIDING:

Campers are given the opportunity to ride twice during each day of camp. One ride occurs during the cooler morning hours and is typically a technique-based lesson; the other usually consists of mounted games, riding bareback, or a ride out and around the farm—for the sheer joy of the ride!

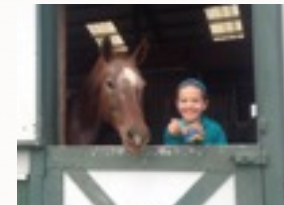

A camp favorite- a ride to the creek.

Jumping

HORSE CARE:

Campers acquire knowledge in daily horse care. Instruction includes grooming, tacking, feeding, bathing, and stall cleaning. These activities promote a strong relationship between horse and rider.

Girl Time

Our vets love to teach our students about their horses.

NEW FACILITIES !!:

Our beautiful new facilities add new dimension to our daily camp offerings. A few of the new opportunities for mounted and unmounted activities include trails, increased activity areas, larger riding arenas, a swimming pool and a pond to enjoy during those hot days.

The pond and dock.

For those hot days--the swimming pool.
